EXTRAORDINARY INFORMATION

Pannonplast's 100% subsidiary, PMM Zrt. builds and leases out an additional manufacturing hall

In addition to the long-term lease agreement disclosed on 30 May 2007, the Parties have agreed on the rent of another 2,920 sq. m. building at Pannonplast Group's former plastics manufacturing business site. PMM has received an extension of time to construct the new rented property until the middle of next year. Thereafter, the total area of rented production and administrative premises will increase to nearly 8,000 sq. m.
