

## EXTRAORDINARY INFORMATION

May 10, 2006

Pannonplast Rt. has acquired a business share in Synergon Informatikai Rt.

Pannonplast Rt. has acquired a 4.19% business share in Synergon Rt. As a part of its strategy, Pannonplast Rt. has examined the option to invest into such companies listed at the stock exchange that – similarly to Pannonplast Rt. – are set to gain grounds in the Central-European market. As a result, Pannonplast Rt. has considered Synergon Rt. to be a financial investment target where the shareholding group potentially benefits from the improved economic growth of the region, and at the same time is offered diversification in financial investments. Pannonplast Rt. foresees mutual advantages derived from the future cooperation of the two companies and the related exchange of experience towards the implementation of their regional strategies.

Pannonplast Rt. has founded a commercial subsidiary in Germany under the name of Pannunion Services GmbH.

Pannunion Services GmbH. will be responsible for operating client relations with a focus on the more developed countries of the European Union. This entity will not be involved in production activities, but attend commercial tasks and representation.
