

## EXTRAORDINARY INFORMATION

April 18, 2007

### **Pannonplast has sold its last major technological plastics industry stake.**

Continuing its withdrawal from technological plastics production in Budapest, as published on April 26, 2006, Pannonplast Plc. has sold its 49% stake in Prettl Pannonplast Plastics Ltd today.

Majority shareholder Prettl Management Service GmbH has exercised its option purchase right and paid the total purchase price today, while Prettl Pannonplast Plastics Ltd. has settled all its credit liabilities to Pannonplast Plc.

The transaction has a favorable financial impact, though a non-material consolidated profit effect.
